The wind keeps blowing.
The door keeps opening.
Will you be with me, my dear Lucy,
When I look for candy
Down there in the dark, dark kitchen?

The wind keeps crying.
The door keeps shaking.
Will you be with me, my dear Lucy,
When I pick up my toy puppy
Out there on the high, high balcony?

Wish you could always be with me
And make them go away with your Do-Re-Me.
I remember last Halloween
They ran away when you started to sing,
“Dear Tommy, my little king,
Close your eyes and have a sweet dream.”

So please stay with me and sing
To stop them kicking the door, riding the wind,
And pulling me down to their house under the ground.
They'll go away if you sing here for me,
In a voice that gets a black cat's hair standing,
The strongest legs shaking, and the window glass breaking.

(ideas from Matthew Sweeney's poem)

9  Really? Think about it. If you are crazy,

flying, it means that you worry about your
life and that you're not crazy. If you are
not crazy, you have to keep flying. You see,
you're caught by Rule 22. You have no way
out. You will still need to fly.

Alec: So, what do you think about it?

Ellie: It's...interesting.

Alec: Oh, no, don't say that.

Ellie: The first thing you should know about Olivia is that she's scared of anything with six legs. I don't think she'll be able to walk past the gate of Buzzing World.

Alec: But she loves butterflies! Well, she loved the photos of butterflies I took last time I was there.

Ellie: Only when they're not moving.

Alec: Fine. I'll just take her somewhere else, and that'd be OK. Right?

Ellie: Umm, you're taking her to Wavelength for dinner?

Alec: What's wrong with that?!

Ellie: I wouldn't say a dead fish is really her idea of a nice dinner, and this restaurant sells seafood...

Alec: Now you're wrong about this one. She loved my mom's fish balls. She had several last time!

Ellie: OK, let's ask someone else. Oh, there's Lori. Hey, Lori, could you look at Alec's plan? He's taking Olivia out.

Lori: Wow! Everything's written down on paper! Hmmm... I thought you wanted her to be your girlfriend.

Alec: I do!

Lori: If you follow this plan, I'm sure it'll be your only date with her.

Since the first case of “Cow Cold” was reported in Kirk State in June, this killer cold has moved up north faster than we thought it would. By July, almost every part of the country had been attacked by Cow Cold. In only two months, the number of dead cows has risen to 5,000. Though Cow Cold started in the south, the east of the country is the worst hit area. By this week, 80% of the farms in Osten State have reported cases of Cow Cold.

The sale of milk in Osten State has slumped because of Cow Cold. Before Cow Cold, the sale of milk in Osten State was \$2.5 million each week; now it is less than \$500,000.

Odin State is the only area in the north without cases of Cow Cold. Before we know how to deal with Cow Cold, we can only hope Odin State will be lucky enough not to experience the power of this killer cold.
